

## - OIL INJECTED ROTARY SCREW AIR COMPRESSORS

- VARIABLE SPEED HVD SERIES (5.5-300 kW)
- DIRECT DRIVE HDD SERIES (22-335 kW)
- BELT DRIVEN HBD SERIES (4-37 kW)

## - RECIPROCATING AIR COMPRESSORS

- HIGH PRESSURE WAVE SERIES
- HIGH PRESSURE HPC BOOSTER SERIES
- HIGH PRESSURE HPC H SERIES STARTING AIR
- LOW PRESSURE HPC L SERIES

## - DOWNSTREAM EQUIPMENT COMPRESSED AIR DRYERS

- REFRIGERATED TYPE HRD US SERIES
- REFRIGERATED TYPE HRD HP US SERIES
- HEATLESS ADSORPTION HDA US SERIES
- BLOWER PURGE ADSORPTION HBP US SERIES
- MODULAR DESICCANT HMD US SERIES

## About us

Hertz Kompressoren is one of the leading brands of Dalgakıran Group Company since 2005.

For more than 50 years of experience, Dalgakıran Group have designed and manufactured reciprocating and rotary screw compressors by using the most modern and intuitive manufacturing techniques.

Today Hertz Kompressoren products are well known in more than hundred countries with its superior reliability and quality.

Hertz Kompressoren is always striving to create and manufacture products of the highest quality, for worldwide customer satisfaction and offer creative, sophisticated, and pragmatic solutions to its clients for their many challenges.
